## **YOUR SAFETY : OUR PRIORITY**

**RIOC WILL RESTRIPE CROSSWALKS MONDAY, AUGUST 5, 2019**  
*The people spoke and RIOC listened!*

(August 2, 2019 – Roosevelt Island, NY) The community spoke and we heard you loud and clear!

As part of RIOC's ongoing commitment to the safety of our residents, RIOC contractors will be repainting the Main Street crosswalks from the Blackwell House turn-around to 40 River Road on Monday, August 5th. This work will take place during daylight hours. Traffic control measures will be implemented throughout the day so work can take place.

Please note that lane re-striping is also a priority but will take place in the near future.
