

## Boarding Restrictions

Hand baggage, instrument cases, bundles and parcels may be carried onto RIOC buses by customers provided that these articles can be carried on **without** inconveniencing other customers and/or the driver and does not obstruct the bus aisle or doors. Persons with **unfolded** strollers and/or shopping carts are not permitted to board RIOC buses unless the driver, at his or her sole discretion, determines that it will not cause an inconvenience or safety hazard to other customers or the driver. Orthopedic (wheelchair type) strollers for children with disabilities are permitted on buses just as wheelchairs are and must be secured in the wheelchair area. Bus operators must check strollers carefully to ensure that children with disabilities are not denied accessible service

## On Bus Signage:

**Strollers and Shopping Carts must be folded upon operator's request**
